To our valued customers,

As the situation with COVID-19 continues to evolve, we want to reassure you that Robb Ross is doing everything reasonably possible to promote public safety and to minimize service disruptions to our valued customers. In addition to recommended practices on personal hygiene and safety, we are also closely monitoring our supply chain.

Robb Ross tries to maintain multiple approved suppliers for as many products as possible, as well as adequate safety stock. While we continue to explore other possible sources should the need arise, we do not foresee any issues in our supply chain.

The situation will continue to evolve, and while Robb Ross will do its best to help as many businesses as possible, our commitment to our loyal customers remains the core of our values.

We are grateful for your business and please feel free to contact us with any questions.
